Hi, Jam.

Thanks for your email! It was great to read about your school club. (As for me) I do participate in an after-school activity - I'm in the Photography Club. We meet twice a week after classes. During the meetings, we learn about camera settings, composition, and editing software. Sometimes we go outdoors to take pictures of nature or school events. Recently, we worked on a photo project about "Seasons in Our Town", which was really fun.

I'd definitely recommend this club to a friend because it's creative and relaxing. It's not just about taking photos - it's about seeing things from a different perspective. Plus, everyone is friendly and willing to help each other improve.

What kind of camera do you use in your club, if you have one? I'd love to hear more about how you organize your projects!

Hope to hear from you soon.

Best wishes,

Diana.
