Hi, my friend

I have a swimming school club, we go to the swimming pool every Monday, Wednesday, Friday at 9am, sometimes we do some exercises and sometimes we are challenging each other in speed and strength. There are 15 boys in our club and we always meet in our class to talk

about our trainies, we ~~always~~ often swim together, and also I go in gym, having English lessons, and dance classes. I really enjoy my skills and find it so interesting and useful. I'd recommend you swimming, because it helps your body to get stronger, improves your muscles and you feel healthier, more powerfull and relaxed.

Hope to hear from you soon!
